OPT-IN CONFIRMATION

Following the above confirmation that I have been assessed by you to be an accredited investor as defined in section 4A(1)(a)(i) of the SFA, I acknowledge that I am eligible to opt into the accredited investor status.

I confirm that I know and understand the consequences of consenting to being treated by you as an accredited investor and have been provided with a copy of all of the consent provisions which apply to me as an accredited investor (“consent provisions”). A copy of the consent provisions can be found at <https://www.hsbc.com.sg/ai>

I have noted that the consent provisions set out the regulatory requirements that HSBC will be exempt from when serving me as an accredited investor.

I hereby consent to being treated as an accredited investor for the purposes of all of the consent provisions with effect from 8 April 2019.

I further understand that my consent as set out above would apply to all my account(s) opened with you, my transaction(s) booked with you, and the relevant services and products offered by you to me where I act as principal solely for my own account (including joint accounts).

I understand that I may at any time withdraw my consent to be treated as an accredited investor for the purposes of all of the consent provisions, upon which you must not (after 14 working days) treat me as an accredited investor. I understand that I can withdraw my consent by notifying the bank in writing and that you will notify me once my withdrawal has been processed by you, upon which you will not treat me as an accredited investor. I acknowledge and agree that until such time, I would still be treated as an accredited investor.

Consent to Disclosure

I consent to you disclosing the fact that I have consented to be treated as an accredited investor, as specified above, to any person that relies on my “accredited investor” status to be qualified as an accredited investor.

To the extent that I have a joint account opened / to be opened with you (the “**Joint Account(s)**”), you may disclose to all other joint accountholders of the Joint Account(s) that I have consented to be treated as an accredited investor, as specified above.

If I subsequently withdraw my consent to be treated as an accredited investor, you may disclose to any person that relies on my “accredited investor” status and to all other joint accountholders of the Joint Account(s) that I have withdrawn my consent to be treated as an accredited investor.
