FX on the go,
at your preferred rates.

Auto-convert currency at your target rate

Log in
with your Personal Internet Banking
details or biometrics.

Swipe upwards
on the 'My FX' screen.

Select 'Set your rate'.

Select the SGD account to transfer from when your rate is met.

Select the currency to convert to.

Input the amount of SGD to convert.

Set your target conversion rate, then select 'Next'.

Set preferred notification method when target rate is reached,
then select 'Next'.

Confirm the details of your transfer,
then agree to the terms and conditions.

Swipe 'Slide to send' to set up FX order.

Your FX order is successfully set up!
If your watched rate is reached before expiry, your funds will be
converted automatically at your target rate.
