Enter a nickname

6

We'll save this payee to your Global Transfers payee list so you won't have to authenticate subsequent Global Transfers to this payee using your Mobile Security Key or Security Device in the future.

If this payee holds a multi-currency account, please add one currency sub-account at a time. The list of Global Transfers payees is separate from the list of general bank transfer payees.

6

Step 1

Press and hold the green power button for 2 seconds to turn on your Security Device, then enter your Security Device PIN.

Step 2

Press the yellow button until a dash "-" appears. Then enter the final 8 digits from the account number you're sending money to.

Step 3

Press the yellow button again to generate a transaction code. Please enter the 6 numbers shown on your Security Device.

Transaction code

7

By clicking "Confirm", you confirm and agree that you have obtained from all individuals whose personal data you have provided in this form the relevant consents for the purposes notified in our Data Protection Policy (which may be found on this website) and that you will provide all relevant individuals with copies of our Data Protection Policy for their perusal.

7 Follow 3 steps on the screen to generate and enter the security code
